Trainers interested in transferring their existing Certified Personal Trainer (CPT) or Certified Group Fitness Leader (CGFL) status to the Certified Professional Trainers Network (CPTN) are required to complete a Transfer Application. Once received, completed application forms will be reviewed within 5 business days. Candidates will be contacted via email on the status of their application.

Depending on the status of your application, you may be:

A fee of \$134+tax applies.
- **Required to submit a comprehensive program design.** Candidates who achieved their CPT or GFL certification status after December 31, 2015 and hold a degree or diploma in the physical sciences will be waived from writing the theory exam and the in-person component of the practical assessment. A fee of \$145+tax applies. A passing grade of 75% is required.
- **Required to complete the CPTN Practical Assessment.** Candidates who completed a CPT/GFL certification that consisted of only a theoretical exam or who achieved certification status after 2015, but do not hold a degree or diploma in the physical sciences, will be waived from writing the CPTN-CPT Theory Exam.
